

EARLY YEARS PRACTITIONER

We are looking for passionate early years practitioners to join our amazing team at The Murrayfield Nursery in Edinburgh.

We are looking for enthusiastic, energetic and dedicated individuals to take advantage of this challenging and exciting opportunity within our baby and toddler rooms. The successful candidates will have to demonstrate a genuine passion for providing the highest standards in quality childcare - strong communication skills and team-working abilities are essential.

The successful candidate must have a good understanding of:

- Children's development needs and individual learning styles.
- The importance of supporting children's transitions.
- The significance of maintaining professionalism and confidentiality.
- The value of supporting your team's personal well-being and professional development.
- The need to help children respect people of different race, ability, gender, religion and culture.
- The importance of procedures to follow regarding the safeguarding of children.

Qualifications and training:

- Minimum SVQ Level 3 or equivalent for Early Years Practitioners.

Experience:

- Minimum two years' Early Childhood experience

Knowledge:

- Pre-birth to 3 • Realising the ambition and HGIOELC
- Planning, observations and assessment • Critical thinking and creativity
- Environment as third teacher • Unlocking learning outdoors
- Self-regulation and well-being

The Murrayfield Nursery is part of a private children's day nursery group with an excellent local reputation. We offer our team great training opportunities and support, excellent facilities, and the satisfaction of having the opportunity to deliver truly outstanding care for children.
