

EARLY YEARS PRACTITIONERS

We are looking for passionate early years practitioners to join our amazing team at Peek-a-boo Nursery School in Edinburgh.

We are looking for an enthusiastic, energetic and dedicated individuals to take advantage of this challenging and exciting opportunity within our toddler and preschool rooms. The successful candidates will have to demonstrate a genuine passion for providing the highest standards in quality childcare - strong communication skills and team-working abilities are essential.

The successful candidate must have a good understanding of:

- Children's development needs and individual learning styles.
- The importance of supporting children's transitions.
- The significance of maintaining professionalism and confidentiality.
- The value of supporting your team's personal well-being and professional development.
- The need to help children respect people of different race, ability, gender, religion and culture.
- The importance of procedures to follow regarding the safeguarding of children.

Qualifications and training:

- Minimum SVQ Level 3 or equivalent, higher level training desirable.

Experience:

- Minimum 2 years' childcare experience.

Knowledge:

- Pre-birth to 3 • Realising the ambition and HGIOELC
- Planning, observations and assessment • Critical thinking and creativity
- Environment as third teacher • Unlocking learning outdoors
- Self-regulation and well-being

Peek-a-boo Nursery School is part of a private children's day nursery group with an excellent local reputation. We offer our team great training opportunities and support, excellent facilities, and the satisfaction of having the opportunity to deliver truly outstanding care for children.
