

SCHOOL LEAVER OPPORTUNITY

Civil Engineering | Digital Construction | Survey Technology

Start your career at 18 — not 22

BUILD YOUR CIVIL ENGINEERING CAREER FROM DAY ONE.

Earn, learn and gain real experience from day one —
With a supported college or university pathway available

REAL CIVIL ENGINEERING EXPERIENCE • REAL PROJECTS • REAL PROGRESSION

WHY?

Start earning straight from school while building a long-term future in civil engineering and digital construction.

WHAT?

Experience & support real civil engineering projects, work with drones, GPS and 3D models. Learn modern digital engineering skills

FURTHER LEARNING

Keep the door open to college or university through day release through a development pathway.

WHAT THE ROLE INVOLVES

- Supporting digital construction and civil engineering workflows
- Contributing to live 3D GPS machine control and site technology systems
- Gather GPS/UAV topographic survey data
- Producing and amending 3D models and drawings
- Assisting with construction calculations

WHO WE ARE LOOKING FOR

- Bright, reliable and motivated school leavers
- Problem solvers, practical thinkers interested in civil engineering, design, construction or technology
- Individuals ready for a professional office and construction environment not lecture theatres
- Competitive ambitious people with good communication skills and a willingness to learn

WORKING LIFE

Monday to Thursday 8:00am to 5:00pm,
4pm Friday + Paid Annual Leave

BASE & PROJECTS

Livingston base
Projects across central Scotland

DEVELOPMENT

Day release at college or university
