21.2 INTRODUCTION

At the end of each individual SECTION, in the Useful Resources sections parts, we have added many links. Some forms, we cannot link to, as we are not able to endorse the companies who have created them. However, a quick search and you will find the ones that suit you.

Other forms, such as ones from the Health and Safety Executive (HSE), have been added here. Just click on the link and the file will open for you – they are stored in the folder called [‘SECTION 21 – FORMS AND TEMPLATES’](#)
